

BOOK CHARACTER PUMPKIN DECORATING FUN!

Get your pumpkin decorating skills ready and decorate your pumpkin like your
Favorite Book Character.

This is not a contest, everyone who brings in a pumpkin gets a free book & treat.

Every student in the school will try to guess who your pumpkin book character is and what book they are from.

What to do:

- Use any kind of pumpkin -it does NOT have to be real.
- If you use a real pumpkin, don't carve, cut or puncture -because they will rot faster.
- Decorate with anything you want (school appropriate -**NO** blood, gore, offensive words, or slogans, etc.) .
- Use the entry below and fill out ALL the information to enter your pumpkin. You can also get one in the library.
- Put your full name and grade on the bottom of the pumpkin.
- **Bring your pumpkin to the Valley View Library between October 10th -20th. Kids will guess what character!**

**Your pumpkin will be displayed in the
library until October 31st** (if you need it back
sooner, just come and get it)

We will make a video of all entries and post it on
the Valley View website & Facebook page—so
everyone can enjoy your decorating skills!

Happy Decorating!
